

# Your training, your way!

## Children's Services Training

### Why Choose the Skills Institute?

1. We offer a wide range of nationally recognised qualifications, short courses and skill-set training. Our flexible approach aims to customise training to suit client needs and is held when and where it suits you.
2. You can choose from:
  - "On-the-job" training at your workplace.
  - "Off-the-job" workshop based training at our modern training facilities across Tasmania.
  - A combination of "on-the-job" and "off-the-job".
3. Our trainers are highly respected for their extensive and contemporary industry experience.

### Recognition

You may be entitled to recognition for previous study, work experience or existing skills. This means credit is given towards a qualification. Any identified training gaps can be addressed through individual coaching and workshops.
