

Have you upgraded to  
Microsoft Office 2007?

**Did you leave your skills  
behind in 2003? Or are  
they back in '99?**

No matter what version you're running, we have the expertise to bring you and your staff up to date.

It's quick, effective and easy for any previous user of the MS suite of products to upgrade their skills.

Our one-day workshops cover:

**Access databases**

**PowerPoint**

**Excel spreadsheets  
(basic and advanced)**

**Word**

Prices start from **\$175 per person.**

Get essential training solutions tailored to the needs of  
development or assessment needs.

We'll come to you, or you can access training at one of our  
many regional centres.
